DESCRIPTION

Elevate your interior design with **E Screen Deco™ 3%**, a high-performance textile that offers a superior connection to natural light. The **Basketweave** construction creates a sophisticated surface that integrates seamlessly into premium commercial and residential spaces.

Composed of 36% fiberglass and 64% vinyl, E Screen Deco™ 3% is designed to reduce solar heat gain and mitigate glare while allowing a high-quality view of the exterior landscape. It is the "essential" choice for areas where natural light is desired without sacrificing thermal comfort. Backed by a 10-year interior warranty.
